Part of Vision West Nottinghamshire College, Vision Business provides first-class facilities within ideal environments that will give your conference, meeting or event outstanding appeal.

Our passion for delivering five-star customer service and value-for-money allow us to help you make your event a success.

We are conveniently located between Nottingham and Sheffield and easily accessible via all major transport links. Wi-Fi facilities, ample parking and the option of delicious, freshly-prepared meals to suit all tastes are available at all of our locations. Our exceptional range of meeting venues can cater for 2 to 770 people.

In addition, we have the ability to support your conference or event with our on-site reprographics service, InPrint, for all your printed materials.

Of course, the best way to appreciate the quality of our service and facilities is to experience them for yourself – make a date to visit today, you will be warmly welcomed.

To arrange a visit contact Brian Schubert, Commercial Manager, on 01623 413345 or email vision.business@wnc.ac.uk
Create facilities

This state-of-the-art facility is based at our Derby Road site, just off the A60 at the southern tip of Mansfield.

It was officially opened in November 2011 by HRH The Duke of Kent and houses a suite of specialist rooms, at the heart of which is our flagship Create Theatre.

The facilities at Create can be as versatile as you need them to be, with a mix and match approach to room hire and flexible layouts.

In addition, we have expert technical support staff on site to support you. Please contact us as early as possible to discuss your requirements.

These modern event spaces are available to hire for many other uses in addition to events, conferences and exhibitions:

- Music recitals
- Theatre performances
- Filming facilities for film and TV shoots
- Modern dance performances
- Music, drama and dance practice
- Film screenings
- Fashion shows
- Photoshoots
- Auctions and sales
- Team building exercises
- Your training events
- Focus groups
